in connection with the action or suit, if the person acted in good faith and in a manner the
person reasonably believed to be in or not opposed to the best interests of the
organization. However, indemnification shall not be made for a claim, issue or matter in
which the person has been found liable to the organization unless and only to the extent
that the court in which the action or suit was brought has determined upon application
that, despite the adjudication of liability but in view of all circumstances of the case, the
person is fairly and reasonably entitled to indemnification for the expenses which the
court considers proper.

The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

G. Rights Not Limited. The organization shall make no provision to indemnify directors or officers in any action, suit, or proceeding referred to in articles which shall be in conflict with the provisions of this Article. Bylaws, a contractual agreement or otherwise by law. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses. The indemnification provided for in this Article continues as to a person who ceases to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors and administrators of the person.
